

DECORATIVE EASTER EGGS

15 min. 35 min. < easy Ba 20 pieces

INGREDIENTS

20 pieces of fabric, 15x15 cm (100% silk fabric or old silk ties)
20 eggs at room temperature
20 rubber bands, rope or thick thread
800 g. water
1 tbsp oil, for shining eggs

USEFUL ITEMS

kitchen roll

PREPARATION

1. Wet silk fabric, wring well and wrap egg inside. Make sure that the "good side" of fabric touches the egg. Secure edges with rubber bands and place eggs in Varoma.
2. Place water into mixing bowl, place Varoma into position and steam **25 min./Varoma/speed 1**.
3. Remove Varoma, rinse eggs under cold water. Remove fabric from eggs and place on kitchen roll to cool down and dry.
4. Brush eggs with oil to shine.

TIP

Cooking time depends on the quantity of eggs. You can also place eggs in simmering basket.

VARIATION

Replace silk fabric with red onion leaves, poppies, violets e.t.c. Cover eggs with leaves and flowers and then with tights, tie with rubber band and steam in the same way. For best results, the eggs must be white.
